

## OLD VINE ZINFANDEL - Lodi

The Zinfandel for this wine came from two vineyards, both East of the city of Lodi. The vineyards lie on opposite sides of the Mokelumne River, one South of the river and one North. Both vineyards are in the Mokelumne River sub-appellation of Lodi, which is heart of Lodi Old Vine Zinfandel. Our wine really demonstrates those classic Lodi Zinfandel aromas of fresh blackberry jam, vanilla, black pepper and spices. In your mouth you taste the sweet ripe fruit flavors balanced with just a hint of tartness. The wine finishes with a firm tannin texture and a warm linger as one taste leads to the next.

We think our Zinfandel is wonderful just to sip all by itself, but you might also try it the traditional “Lodi” way with some good friends and good conversation while eating barbequed sausage, pasta, or pizza.
