

PINOT NOIR - Lodi

Our garnet colored Pinot Noir from the Clarksburg appellation has a supple strength of its Pinot Noir tannin structure, yet at the same time it is light, crisp and bright in the mouth and in its finish. The aromas of sour cherries, cranberries and just a hint of smoky herbs lead to mouth filling flavors and tannins that complete with a lingering sweetness in the aftertaste. Perfect for lighter foods such as chicken and fish it can also match well to grilled sausages or barbequed ribs.
